CLASS OF THE WEEK

CHESTNUT

Class Chestnut have been looking at houses and homes for our topic! We spoke about what we would find in each room of the house and decided to make apple pie in the kitchen! We went to the apple tree in the school garden and picked 46 apples and cut them up! We then went to the staff room and made them mushy before asking Ange to put the pastry in the oven for us! It was delicious!!!

Earwig is an Academic Timeline system we use in school to demonstrate pupils participation and progress across the curriculum. Teachers can upload pictures and videos detailing activities that your child has completed as well as information about the activities. Each parent has a log in for Earwig which enables you to also access your child's work. You will have been previously sent an invitation email to enable you to access Earwig. If you have trouble accessing the system or need reminding of your access information please do not hesitate to contact your child's class teacher.

At Knowsley Central School we are aware of how expensive food can be at the moment, with this in mind staff would like to set up our own food bank. Sadly, over 13 million people live below the poverty line in the UK and the need for foodbanks is increasing. Last year, well over a million emergency food packages were given out to adults and children in need.

Our foodbank will aim to support families who are finding these times difficult.

If you would like more information regarding how we can help you and your family please contact Vicky.

At Knowsley Central School we are constantly reviewing our curriculum offer to ensure that we provide the most appropriate activities for our children. At this moment in time we have decided to end our soft play sessions and in conjunction with our OT we have replaced them with specific sensory activities within school.
