PARENT INFORMATION

Earwig is an Academic Timeline system we use in school to demonstrate pupils participation and progress across the curriculum. Teachers can upload pictures and videos detailing activities that your child has completed as well as information about the activities. Each parent has a log in for Earwig which enables you to also access your child's work. You will have been previously sent an invitation email to enable you to access Earwig. If you have trouble accessing the system or need reminding of your access information please do not hesitate to contact your child's class teacher.

If you would like to order any Halloween Goody Bags, please complete the form sent home with your child and send it back by *Monday 17th October*. Thank you.

Halloween Disco—50p per ticket

Thursday 20th October Children to come into school in their school uniform and get changed into their outfit at the end of the day.

Children must be collected from school promptly at 4:15 thank you.

At Knowsley Central School we are aware of how expensive food can be at the moment, with this in mind staff would like to set up our own food bank. Sadly, over 13 million people live below the poverty line in the UK and the need for foodbanks is increasing. Last year, well over a million emergency food packages were given out to adults and children in need.

Our foodbank will aim to support families who are finding these times difficult.

If you would like more information regarding how we can help you and your family please contact Vicky.

Meet & Greet Sessions

Thank you to all of the parents who attended our 'Meet and Greet' sessions this week, we hope you found them useful. If you were unable to attend and would like to speak to your child's class teacher, please feel free to get in touch.
