## Our celebrations this week: Friday 22nd September 2023

- Cherry Class had so much fun this week getting active! We used the trampoline and swing outside as well as having our first PE session in the hall. We practised balancing on the beams. Great work Class Cherry!

- Some children in Class Chestnut celebrated a win this week in their hockey and football game in the immersive room, the children cheered and shouted very loudly with excitement.

- This week in science lesson Class Mulberry focused on different senses, the children explored a selection of sensory props. We had lots of fun looking at tiny sticky bubbles and coloured lights. We explored soft foam, jelly and various scents. Children used an interactive game to identify environmental and animal sounds. They also tasted different flavours.
