SCHOOL FOOD BANK

At Knowsley Central School we are aware of how expensive food can be at the moment, with this in mind staff have set up our own food bank. Sadly, over 13 million people live below the poverty line in the UK and the need for foodbanks is increasing. Last year, well over a million emergency food packages were given out to adults and children in need. Our foodbank will aim to support families who are finding these times difficult. If you would like more information regarding how we can help you and your family please contact Vicky.
